**RE: APPLICATION TO LEASE WATER RIGHT NO. 61-12019 TO THE WATER
SUPPLY BANK**

Dear Mr. Denning:

The department has completed its review of the Application to Sell or Lease a Water Right to the Water Supply Bank ("bank") that you submitted to this office. Please consider that the offered water right is accepted into the bank.

Several items to keep in mind in connection with lease of a water right to the bank is as follows:

1. There is no rental payment to the owner of the water right if the right or a part thereof is not rented from the bank.
2. While a right is in the bank, the owner of the right may not use the right even if the right is not rented.
3. A right accepted into the bank stays in the bank until the Board releases it or until the lease term expires.
4. While a water right is in the bank, forfeiture provisions are stayed.
5. Acceptance of a right into the bank does not, in itself, confirm the validity of the right or any elements of the water right.

If you have questions, please feel free to contact me.

Sincerely,

L. GLEN SAXTON, P.E.
Chief, Water Allocation Bureau
