RE: APPLICATION TO LEASE WATER RIGHT 11-4022 TO THE WATER SUPPLY BANK

Dear Applicant:

On September 19, 2005, the Idaho Department of Water Resources (Department) received your application to lease water right 11-4022 to the Water Supply Bank (Bank). In the application paperwork, you stated you were filing an accompanying Application for Transfer (72318) to comply with condition 7(a) of the Application for Permit for 11-7481. Condition 7(b), as an alternate to 7(a), required a lease with the Bank.

Transfer 72318 was approved November 27, 2006, and should satisfy the requirement of permit 11-7481. Thus, the Department is returning your application since your request appears to be satisfied by the water right transfer approval. If you still have a need to lease water to the Bank, please submit a new application.

If you have any questions, please contact me at (208) 287-4907.

Sincerely,

Monica Van Bussum
Sr. Water Resource Agent
