Dear Monica,

Attached is a letter from BVIDC concerning the Idaho Shakespeare Festival water bank application that I expect will arrive in your mailbox shortly. Per my discussion w/ Pam Skaggs in your absence, I asked BVIDC to specifically reference the subject water right no. 63-31833 and its consent to ISF receiving the rental payments, which the board agreed to in its March 10, 2010 meeting. I see that that information was left out of Mr. King's letter to you. I pray, however, that this will suffice for IDWR to process the ISF application. If the water actually is rented out, and there is money to be distributed, we can confirm who the appropriate recipient is then. It only took me a month and a half to get this letter. I am reluctant spend another month and a half trying to get it revised/supplemented at this point. Also, now that it is 2011, I should represent to you that ISF wishes the right to be placed in the Water Bank for 2011, rather than 2010. Pam indicated she did not think we would need to refile (and go through another round of BVIDC board approval to do that.

Please advise.

Sincerely,

Michael C. Creamer
