RE: Historic Use of Irrigation Water on City of Idaho Falls Noise Park Property

Dear Rob:

After review of your letter and information dated December 27, 2010, it is our opinion that there has been no historic use of irrigation water of the City of Idaho Falls Noise Park property and there are no concerns with the Natural Guardian transfer.

Please feel free to contact me at (208) 612-8482 if further information is necessary.

Best Regards,

David J. Christiansen, CPRP
Director
