RE: Water Right No. 75-10130

Dear Ms. McDermott;

I am sorry that it took so long to get this information to you. However, we were at the Idaho property for the past month and only returned yesterday to find your letter in the mail.

Enclosed you will find a copy of the Warranty Deed showing that the property was transferred to our ownership as well as providing a complete legal description. I am also enclosing a copy of the water right paperwork that was provided to us at closing.

I hope that this will end any confusion and allow you to transfer the water right to us. If you have any questions, our home telephone number is (305) 872-3398.

Sincerely;

A handwritten signature in black ink, appearing to read "Daryl Hull", written over a horizontal line.
