RE: Change in Ownership for Water Right No. 75-10130

Dear Mr. & Mrs. Hull:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership filed in September 2003. Our review of your notice indicates that additional information is required before we can process the change. The information required is indicated below:

- ☒ **Evidence of Water Right Ownership:** copy of Warranty Deed, Title Policy, Contract of Sale, or other legal document indicating your ownership of the property and/or water rights in question
- ☒ **Legal Description of Property**

During our review of the documentation you submitted we found some discrepancies between that documentation and the legal description of the place of use for the water right indicated in your notice. According to the Lemhi County Assessor's office, the property shown on the Warranty Deed you submitted is located in T25N R21E SEC15, in the NW $\frac{1}{4}$ SE $\frac{1}{4}$, SW $\frac{1}{4}$ NE $\frac{1}{4}$, NE $\frac{1}{4}$ SW $\frac{1}{4}$. This legal description does not match the place of use for this water right. I have enclosed a computer report of the water right for your reference, with the missing property highlighted.

Because the Department cannot process the ownership change without proper documentation, we will hold any action on your notice pending receipt of the necessary information. If we do not receive the necessary information **within 30 days** we will return your notice and all attachments and your notice will not be processed.

Please note that water right owners are required to report any change in water right ownership and/or mailing address to the Department within 120 days of the change. Failure to report these changes could result in a \$100 late filing fee. Contact any office of the Department or visit the Department's homepage (<http://www.idwr.state.id.us>) on the Internet to obtain the proper forms and instructions.

If you have questions, please contact me at 208-287-4962.

Sincerely,
