RE: Application to Permit No. 13-7763

Dear Ms. Cox,

The Idaho Department of Environmental Quality (IDEQ) has reviewed the information provided regarding the subject application and we are offering the following comments.

We note the application is for a water right change for a regulated public water system (ID6210029). In accordance with Idaho Code 39-118 and IDAPA 58.01.08, "Idaho Rules for Public Drinking Water System, construction plans & specifications prepared by a professional engineer are required for IDEQ review and approval prior to construction should modification to the system result from the application.

If you have questions or comments, please contact me at 236-6160 or via email at tom.hepworth@deq.idaho.gov.

Sincerely,

A handwritten signature in black ink, appearing to read "Tom Hepworth".

Tom Hepworth
