RE: Water Appropriation Permit No. 65-13598 (Betty L. Derbonne – Mooers)

Dear Charlie:

In the file for Water Appropriation Permit No. 65-13598, there is some correspondence indicating that you may have represented the permit holder, Betty L. Derbonne – Mooers, in the past. IDWR recently sent Ms. Derbonne – Mooers the enclosed correspondence, but she has not responded. If she does not respond by filing the enclosed application for amendment, IDWR will not be able to include all of the water use reported by the field examiner in connection with Permit No. 65-13598 when preparing a water right license. IDWR will hold the permit file for 30 days in case you still represent Ms. Derbonne – Mooers and need to discuss the matter with her. If IDWR does not receive a response within 30 days, IDWR's licensing review will be limited to that portion of the development that conforms to the original permit.

If you have any questions, please call me at 208-287-4947, or email me at shelley.keen@idwr.idaho.gov.

Sincerely,

Shelley W. Keen
Water Rights Supervisor
