Dear Dianne:

I was on your website today looking at the "Water Right Report" for our two water rights licenses and noticed that you have an old address and contact name listed for both of them.

This is regarding Water Right No. 95-8130 and 95-2117

The correct address is:

Troy Hoffman Water Corp Inc
710 W Dalton Ave, Suite J
Coeur d'Alene, ID 83815

Please update both water rights licenses with our current address.

Thank you,

Ron Stadley
President
