RE: Permit No. 63-32550

Dear Permit Holder(s):

Dear Mr. Hubble:

It has come to the attention of the Department of Water Resources ("Department") that you may still be the manager for Middleton Lakes Development, LLC, per an online business entity search through the Idaho Department Secretary of State website. This information indicates that you were the manager of Middleton Lakes Development, LLC.

Middleton Lakes Development, LLC may be the current owner of the property associated with water right permit no. 63-32550. This permit is currently in the name of Providence Development Group, LLC, with an address almost identical to yours, except the suite number has changed. If you are the current owner of the permit mentioned above, and the company name and address has changed, you must file an Assignment of Permit form in order to change ownership of the permit. I am enclosing a copy of this permit for your reference.

This permit Lapsed December 1, 2010, and a Lapse Notice was sent out on December 8, 2010, to the name and address of record with the Department. Enclosed is a copy of the Lapse Notice which allowed (60) days from the mailing of the notice to either file proof of beneficial use, or a request for extension of time in order to reinstate this permit. The (60) day deadline is February 7, 2010. Also enclosed are all forms necessary should you decide to pursue this permit, otherwise the permit will remain lapsed and no further development will be allowed.

If you have any questions, please feel free to contact me at 208-287-4945.

Sincerely,

Darla Block
Technical Records Specialist
