CONDITIONS OF APPROVAL

1. Use of water under this right will be regulated by a watermaster with responsibility for the distribution of water among appropriators within a water district. At the time of this approval, this water right is within State Water District No. 74W.
2. When notified by the Department, the right holder shall provide a means acceptable to the Department to measure the amount of water entering the reservoir and the amount of water released from the reservoir.
3. This right, when considered with all other rights common to the same grazing allotment, is limited to the quantity of water beneficially used by the number of stock within the allotment.
4. Project also known as Poison Spring Reservoir.

This license is issued pursuant to the provisions of Section 42-219, Idaho Code. The water right confirmed by this license is subject to all prior water rights and shall be used in accordance with Idaho law and applicable rules of the Department of Water Resources.

Signed and sealed this 13th day of January, 2011.

GARY SPACKMAN
Interim Director
