***Withdrawal of Application for Permit 63-12425***

Dear Nick,

Enclosed on behalf of Blue Cross of Idaho and Settlers Irrigation District is *Application for Transfer No. 66703* that has been revised, to more accurately reflect surface water use at the Blue Cross Corporate site. Because Blue Cross no longer wishes to pursue development of ground water at the site, *Withdrawal of Application for Permit No. 63-12425* is also enclosed.

Check No. 5670 for \$200 is included for the additional fees required for processing the amended transfer application.

Please let me know if there are any questions. Thanks Nick.

Sincerely,
