DEPARTMENT OF WATER RESOURCES

Transfer No. 76984
RECEIVED

MINIMUM REQUIREMENTS CHECKLIST
TO BE SUBMITTED WITH APPLICATION FOR TRANSFER

DEC 13 2010

An application for transfer must be prepared in accordance with the minimum requirements listed below to be acceptable for processing by the Department. Incomplete applications will be returned. The instructions, fee schedule, Part 2A reports and additional Part 2B forms are available from any Department office or on the Department's website at <http://www.idwr.idaho.gov/>.

Check whether each item below is *attached* (Yes) or *not applicable* (N/A) for the proposed transfer.

Yes N/A * Means the item is always required and must be included with the application.

- ☐ * Completed Application for Transfer of Water Right form, Part 1.
- ☐ * Signature of applicant(s) or applicant's authorized representative on Application for Transfer Part 1. Include evidence of authority labeled Attachment #3 (see below) if signed by representative.
- ☐ * Application for Transfer Part 2A. Attach a Part 2A report describing each water right in the transfer as currently recorded.
- ☐ ☐ Complete and attach an Application for Transfer Part 2B for each water right for which only a portion is proposed to be changed through this transfer application. Part 2B forms are available on the Department's website at: http://www.idwr.idaho.gov/WaterManagement/WaterRights/WaterRightTransfers/PDFs_09/WaterRight_TransferApp_Part2B.pdf.
- ☐ * Application for Transfer Part 3A is always required (see Attachment #7a below); Parts 3B and 3C must be completed for transfer applications proposing to change the nature of use of the water right(s) or proposing changes to supplemental right(s).
- ☐ * Correct fee submitted with transfer application form. (Fee schedule is on website and instructions for application for transfer.)

Attachments to Application - Label each attachment with the corresponding number shown below as Attachment #1-9.

- ☐ ☐ #1 If the applicant is a business, partnership, organization, or association, and not currently registered in the State of Idaho as a business entity, attach documentation identifying officers authorized to sign or act on behalf of right holder. (See Part 1.)
- ☐ ☐ #2a Water Right ownership documentation if Dept. records do not show the transfer applicant as the current water right owner.
- ☐ ☐ #2b If the ownership of the water right will change as a result of the proposed transfer to a new place of use, attach documentation showing land and water right ownership at the new place of use. Include documentation for all affected land and owner(s).
- ☐ ☐ #3 Documentation of authority to make the change if the applicant is not the water right owner.
- ☐ ☐ #4 Power of Attorney or documentation providing authority to sign or act on the applicant's behalf. (See Part 1.)
- ☐ ☐ #5 If the transfer application proposes to change the point of diversion for a water right affecting the Eastern Snake Plain Aquifer (ESPA), attach the results of an ESPA analysis and a detailed mitigation plan to offset any depletions to hydraulically connected reaches of the Snake River. ESPA transfer spreadsheet and model grid labeled cells are available on the Department's website at http://www.idwr.idaho.gov/WaterManagement/WaterRights/WaterRightTransfers/wrt_default.htm.
- ☐ ☐ #6 Notarized statement of agreement or a statement on official letterhead signed by an authorized representative from each lien holder or other entity with financial interest in the water right(s) or land affected by the proposed transfer. (See Part 1.5.c.)
- ☐ * #7a Attach a map identifying the proposed point(s) of diversion, place(s) of use, and water diversion and distribution system details as described on the application. Include legal description labels. If only a portion of the right is proposed to be changed, identify the current location of the part of the existing right(s) proposed to be changed. (See Part 3A.)
- ☐ ☐ #7b If the transfer application proposes to change the place or purpose of use of an irrigation right attach a Geographic Information System (GIS) shape file, or an aerial photo or other image clearly delineating the location and extent of existing acres and changes to the place of use.
- ☐ ☐ #8a If the transfer application proposes to change the nature of use or period of use for one or more rights, provide documentation describing the extent of historic beneficial use for the water rights proposed to be transferred and document how enlargement will be avoided. (See Part 3B.)
- ☐ ☐ #8b If the transfer application proposes to change the place of use of a supplemental irrigation right, provide documentation regarding the historic use of the supplemental right(s) and availability or reliability of the primary right(s) being supplemented, both before and after the proposed change. (See Part 3C.)
- ☐ ☐ #9 Other. Please describe: _____

EASEMENT OR RIGHT-OF-WAY FOR ACCESS TO PROPERTY

RECEIVED

DEC 13 2010

IDWR/NORTHERN

FOR AN IN CONSIDERATION of the mutual covenants and agreements herein contained. And for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Kenneth and Tammy Eliassen (Grantors) hereby grants and conveys to Mission Creek Water Association, (Grantee) it successors and assigns, a perpetual, non-exclusive right of way and easement in, under, upon, about, over and through the property described on the attached Exhibit A hereto and incorporated herein by reference (Property).

1) Grant. The easement granted hereby shall be for ingress and egress to, from, upon and over the property described to provide access to a water well and well lot (50 foot radius around the well) any necessary required enclosure and appurtenances to be constructed upon the property at a mutually agreed upon location and for installation, maintenance and construction of a water line and power line to and from the well site to the existing waterline and power sources located nearby for the purpose of extracting ground water at that site.

2) Streets. The Grantee may construct or maintain a permanent access road on the property to and from the well site to accommodate waterline and well maintenance, and power to the well.

3) Failure to improve. If the grantee or its successors or assigns should fail to establish a producing well and necessary access road, waterline and power line to such producing well within two (2) years form the date hereof, all right, title, and interest in and to the easement described herein shall immediately revert to the Grantor, its successors or assigns.

Should the Grantee establish a producing well and all such mentioned improvements within the allotted time upon the above described property, Grantee will grant the Grantor the right to a Mission Creek Water Association membership in exchange for said permanent easement. The membership will carry all the right, responsibilities, including monthly fees, as pertains to all mission creek water association memberships and such rights and responsibilities shall begin at the time of any future hook up to the Mission Creek Water Associations supply line. This membership shall be attached only to the property described in EXHIBIT "A" and is non-transferable to other properties

4) No interference. Grantor shall not interfere with Grantee's construction and operation of such permanent improvements listed above within the easement required for operation and maintenance of a producing ground water source. The Grantee will take care to locate all existing underground waterlines, power lines, Septic lines, and drain fields before beginning any construction to avoid damage to any existing underground improvements. Any and all such damages caused by Grantee will be repaired or replaced at Grantees expense.

5) Termination. This easement shall be terminated at any time by an instrument executed for such purpose and signed by both parties.

6) Amendment. This easement shall be amended only by a written and recorded instrument signed by the parties or the current owner of the property and the easement.

7) This easement shall be binding upon and inure to the benefit of the parties, successors and assigns, heirs beneficiaries and personal representatives.

1. Governing This Easement shall be governed by and construed and enforced in accordance with the laws of the State of IDAHO. SIGNED on this the 30th day of April, 2010.

Re: Transfer Application For the Mission Creek Water Association, Inc.

Dear Ms. Widener:

Enclosed is a transfer application for the Mission Creek Water Association, Inc. to change a point of diversion as per water right 98-7770. Please review the application and if it meets with your approval have H. C. Studer sign the document, where indicated and return to me within the next 30 days. The application needs to be accompanied by a completed copy of the easement or right of way agreement, for the new well, between Kenneth and Tammy Eliassen and the association.

When the application is returned, please attach a check made out to IDWR in the amount of \$100.00 to cover the filing fee. If you have any questions, don't hesitate to contact me at this office.

Thank you.

Sincerely,

Keith E. Franklin
