Ms. Williams,

Allen Merritt forwarded to me your request for a copy of Dry Lot LLC's annual report. IDWR does not have the staff resources to track your request and mail a copy of the report to you each year. However, IDWR scans all such reports and inserts them into the water right file. Scanned images from water right files can be viewed from IDWR's website at <http://www.idwr.idaho.gov/apps/ExtSearch/SearchWRAJ.asp>. Alternatively, you may visit IDWR's state office at 322 E. Front Street, Boise, any weekday from 8:00 to 5:00 to inspect the original reports.

Please call or email if you have questions.

Sincerely,

Shelley Keen

Dear Allen and Kelly:

As General Manager of the Indian Creek Ranch Owners Association, I'd like to supply you with my contact information so that you can provide me with a copy of the 1/31/11 report that will be sent to you by Dry Lot, LLC as per page 2, Item 9 of the IDWR Permit Approval for #37-22252, attached, which requires annual reporting of the quantities of water diverted from the Hiawatha Canal into the infiltration basins and annual reporting regarding the use of the wells.

Thank you in advance for providing ICROA with this information.

Sincerely,
