Subject: transfer 73890 extension of time

Mr. Conrad, Mr. Sterling,

This email is intended to serve two purposes

- 1) to document a short phone conversation I had with Vic Conrad yesterday afternoon and
- 2) to request confirmation that Mr. Conrad is authorized to provide information on behalf of Sterling Landscape Co in reference to Transfer 73890

Mr. Conrad,

I understand from brief phone conversations I've had with both you and Mr. Sterling, that you are assisting him with this transfer. In our conversation yesterday, you stated that you and Mr. Sterling have had at least one meeting to discuss the information needed by the Department and that you will be proceeding with your work on behalf of Sterling Landscape Co related to this transfer. I need a short statement from Mr. Sterling confirming that you are authorized to represent his interest in this transfer.

Yesterday afternoon you asked me for additional time to allow you to find the necessary information and to plan a revised transfer application. I am willing to grant you an extension until April 30, 2010 to submit additional information. I would welcome the information sooner than that date, if you can provide it.

Sincerely,
Michele Edl
