RE: Contested Application for Transfer #75704—Junayo Ranch

Dear Attorney Skerjanec:

This letter is in response to your letter of 01/06/11 regarding the status of the above contested application.

There has been no action taken on the contested application by our agency. With budget and staffing reductions our resources are very limited. It will be some time before a hearing can be scheduled for the case. Our rules of procedure require all parties be notified of communication or correspondence related to the contested case. Prior to the scheduling of a prehearing conference or hearing, parties will be sent calendars to provide availability dates.

Your letter states you represent the interests of Seven High Ranch Inc., Richard Brandau, and Tony Richards. I will assume this also serves as a notice of appearance from you. As the attorney of record, communications/correspondence will be sent directly to you on behalf of your clients.

Documents relating to the case are scanned and available through our agency website:
www.idwr.idaho.gov.

Should you have questions, please contact me at the Western Regional Office, phone 208-334-2190

Sincerely,

A handwritten signature in black ink that reads "John Westra". The signature is fluid and cursive, with the first name "John" being more prominent than the last name "Westra".

John Westra, Manager
