CONDITIONS OF APPROVAL

1. Domestic use is for Shadow Butte Elementary School within the Emmett School District.
2. The following rights are diverted through the point of diversion described above that is identified by tag #D0009711: 65-13886 and 65-23037.
3. Rights 65-13886 and 65-23037 when combined shall not exceed a total diversion rate of 0.21 cfs for domestic and irrigation uses.
4. Water shall not be diverted for fire protection use under this right except to fight or repel an existing fire.
5. When ordered by the Director, the right holder shall provide mitigation acceptable to the Director to offset depletion of lower Snake River flows needed for migrating anadromous fish. The amount of water required for mitigation, which is to be released into the Snake River or a tributary for this purpose, will be determined by the Director based upon the reduction in flow caused by the use of water pursuant to this right. Any order of the Director issued in accordance with this paragraph shall be in conformance with applicable rules allowing the right holder due process as the need for mitigation and the amount of mitigation are determined.

This license is issued pursuant to the provisions of Section 42-219, Idaho Code. The water right confirmed by this license is subject to all prior water rights and shall be used in accordance with Idaho law and applicable rules of the Department of Water Resources.

Signed and sealed this 6th day of January, 2011.

for GARY SPACKMAN
Interim Director
