Dear Water Right Holder(s):

The Department acknowledges the receipt of correspondence changing ownership of the above referenced water right(s) to you. The Department has modified its records to reflect the change in ownership and has enclosed a computer-generated report for your records.

Water Right Nos. 2-2130, 2-2406, 2-7020, 2-7033, 2-7034, 2-7350, 2-57 are still in the adjudication process and have not been decreed by the SRBA Court. Therefore, fees are not required for these water rights. The Department has requested a refund for these rights and the refund will be sent directly to Guaranty Title. The ownership change request was sent to the Adjudication Department and these rights will be changed through that department.

Please note that as of July 1, 1996, water right owners are required to report any change of water right ownership and any change of mailing address of the owner of a water right, to the Department. Notice of the change must be provided to the Department within 120 days of the change. Change reporting forms are available from any office of the Department, or at www.idwr.idaho.gov.

Thank you again for your patience and cooperation. If you have any questions concerning the enclosed information, please feel free to contact this office.

Sincerely,

A handwritten signature in cursive script that reads "Jean Hersley".
