Re: Change of Ownership for Water Right/Permit No(s): 67-10365, 67-10366, 67-10367 and 67-10425

Dear Water Right Holder(s):

The Department acknowledges the receipt of correspondence changing ownership of the above referenced water right(s) to you. The Department has modified its records to reflect the change in ownership and has enclosed a computer-generated report for your records.

However, the ownership on Water Right 67-10424 was not changed. This right is located in Section 19, Township 11N, Range 04W, NWNE. The deed you provided covers Government Lots 1, 3 and 4 and part of the E ½ SW ¼. Our tax lot information indicates you own this property but we need a warranty deed that includes the land is this legal description before we can complete the ownership change. You can mail the paperwork to the address above or fax to 208-334-2348.

Because the Department cannot complete the ownership change without proper documentation, we will hold any action on water right 67-10424 pending receipt of the necessary information. If we do not receive the necessary information within 30 days we will return your notice and all attachments and your notice will not be processed.

Please note that as of July 1, 1996, water right owners are required to report any change of water right ownership and any change of mailing address of the owner of a water right, to the Department. Notice of the change must be provided to the Department within 120 days of the change. Change reporting forms are available from any office of the Department, or at www.idwr.idaho.gov.

Thank you again for your patience and cooperation. If you have any questions concerning the enclosed information, please feel free to contact this office.

Sincerely,
