RE: Notice of Change in Water Right Ownership No(s). 65-4020

Dear Interested Party(s):

The Department of Water Resources acknowledges receipt of the additional information we requested in order to process your ownership change request. However, the warranty deed you submitted does not put the property in any of your names. The deed conveys the property to the Haverfield's. We have to have a warranty deed that conveys the property to you. The documents you have provided thus far do not include property in the ¼ ¼ the water right was approved in. I have enclosed a map and the Water Right Proof Report for your information.

Because the Department cannot process the ownership change without proper documentation or fees, we will hold any action on your notice pending receipt of the necessary information or fees. If we do not receive the necessary information or fees within 30 days we will return your notice and all attachments and your notice will not be processed.

You can mail the required information to the address above or fax it to: 208-334-2348.

Please feel free to contact this office if you have any questions regarding this matter.

Sincerely,
