Dear Property Owner(s):

Thank you for submitting the Notice of Change of Water Right Ownership to our office. After reviewing the documents you included it was determined that more information is required before we can process this request.

The Title Policy you provided covers land in the NWSE and SWSE of Township 11N Range 03E Section 3. The above mentioned water right is in the NESW of Township 11N Range 03E Section 3. We need to have a signed and notarized warranty deed that includes land in this section in order to complete your request. You can mail this information to the address above or fax it to 208-334-2348.

Because the Department cannot process this request without proper information, we will hold any action on your notice pending receipt of the necessary information. If we do not receive the necessary information within 30 days we will return your notice and all attachments and your notice will not be processed.

Please feel free to contact this office if you have any questions regarding this matter.

Sincerely,
