**RE: APPLICATION TO LEASE A PORTION OF WATER RIGHT NOS. 63-2768 TO THE
WATER SUPPLY BANK**

Dear Lessor:

The Department of Water Resources ("Department") has completed its review of your application to lease a portion of water right no. 63-2768 to the Water Supply Bank ("Bank"). The offered water right is accepted into the Bank in accordance with the attached Water Supply Bank Lease Acceptance. If you do not agree with the conditions of the Lease Acceptance and would like to withdraw your water right from the Bank, you must contact the Department within thirty (30) days of receipt of this notification.

The right will automatically be released from the bank on **December 31, 2014**, unless the right is released earlier by the Board, or upon request by the lessor. To change the term of the lease or to release the right from the Bank, you must submit a request in writing to the Department prior to the release date.

Additionally, in your application, you state the point of diversion (POD) was incorrectly decreed in Township 4 North instead of Township 3 North. This can not be corrected through the Bank and the approval shows the POD as it was decreed. You have two options to correct this. First, you can file a motion to set aside the partial decree with the SRBA Court. There will be no cost but it may take some time and assumes the Court will set aside the partial decree. Second, you can file for a transfer. A transfer will be faster but there is a \$100 fee.

Please review the conditions of acceptance listed on the Lease Acceptance and contact me if you have any questions at (208) 287-4907.

Sincerely,

Monica Van Bussum
Sr. Water Resource Agent
