Dear Permit Holder(s):

The department acknowledges receipt of the request for extension of time form and assignment of permit submitted for the above referenced permit. The department has updated its records to reflect the change in ownership and has enclosed a computer generated report for your reference.

Enclosed is a copy of the approved Request for Extension of Time ("request") you submitted to the department in connection with the above referenced permit, which extends the time to submit proof of beneficial use to **January 1, 2014**.

Please note that the department granted this extension based on evidence of good cause. It is important that you work diligently toward the completion of this project during the construction period allowed because the department will not grant an additional extension based on good cause, according to Section 42-204(5), Idaho Code.

Please note that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov.

Please feel free to contact the department if you have questions.

Sincerely,
