Re: Change of Ownership for Water Rights 43-144A, 43-149, 43-150, 43-151A,
43-152, 43-221, 43-251A, 43-4048, 43-4049, 43-10064, 43-10066

Dear Water Right Holder(s):

The department acknowledges receipt of correspondence changing ownership of the above referenced water right to you. The department has modified its records to reflect the change in ownership and has enclosed a computer-generated report for your records. Water rights 43-4048 and 43-4049 were combined and decreed in the Snake River Basin Adjudication as 43-10064, consequently these two rights are no longer valid and ownership is not maintained on such rights. A \$50 refund has been requested.

Please note that as of July 1, 1996, water right owners are required to report any change of water right ownership and any change of mailing address of the owner of a water right to the department. Notice of the change must be provided to the department within 120 days of the change. Change reporting forms are available from any office of the department.

Please feel free to contact this office if you have any questions regarding this matter.

Sincerely,

Trish Fawcett
Technical Records Specialist
