Dear Ms. Gibson,

Please find attached Scott Campbell and Andy Waldera's calendar of available dates from March 1 to June 30, 2011.

With respect to providing a suggested hearing location, we are not familiar enough with the area to suggest a location other than the Eastern Region Office.

Gentlemen,

Jeff Peppersack and Gary Spackman have asked me to contact you about the Motion for Status Conference filed by Andrew Waldera on November 8, 2010 regarding the Preston-Whitney Protested Application for Transfer No. 75705. The Department does not intend to grant the request at this time, however, the Department will likely extend discovery and schedule a hearing sometime in March 2011.

Please submit your available dates beginning in March 2011 in writing to my attention on or before December 13, 2010. Additionally, because the location of this application is in the Bear River area, please give me your suggestions for where the hearing could be held and contact information for that site. I will make arrangements for the hearing and provide you notice and likely a new discovery schedule.

If you have any questions, please contact me.

Deborah Gibson
Administrative Assistant
