RE: Pacific Hide and Fur Water Bank Application – 63-32101

Dear Ms. Bridge-Clark:

Enclosed is an application to the water supply bank for Pacific Hide and Fur. This water was previously in the water supply bank under a different number. A new number was assigned as a result of a recent transfer approval. This application for the water bank is to place this commercial water right back into the supply bank.

If you have any questions, please call.
