**RE: Correction to Approved Transfers 73721 (36-8624)  
& 73723 (36-16552 & 36-16553)**

Dear Water Right Holders:

The Department is reviewing the Applications to Sell or Lease a Water Right to the Water Supply Bank (WSB) that you submitted for Rights 36-8624 and 36-16553. The last administrative action taken on these rights was the 07-28-2008 transfer approvals referenced above. A combined right condition listed on these approvals for all three rights includes a typographical error. This error must be corrected before the WSB applications can be approved.

I am preparing a preliminary order correcting the transfer approvals that will modify the combined right condition to the correct amount as shown below.

|                  |                 |             |          |
|------------------|-----------------|-------------|----------|
| 36-16552 (72723) | <b>1.94 cfs</b> | 125.4 acres | 501.6 af |
|------------------|-----------------|-------------|----------|

|                  |        |        |        |
|------------------|--------|--------|--------|
| 36-16553 (72723) | 0.48 " | 24.0 " | 96.0 " |
|------------------|--------|--------|--------|

|                 |        |        |        |
|-----------------|--------|--------|--------|
| 36-8624 (73721) | 0.21 " | 10.6 " | 42.4 " |
|-----------------|--------|--------|--------|

Limited To: **0.48 cfs**

=====

|                     |          |             |          |
|---------------------|----------|-------------|----------|
| Current Condition = | 2.63 cfs | 160.0 acres | 640.0 af |
|---------------------|----------|-------------|----------|

The three rights are limited to a combined rate of 2.42 cfs because of the combined right limit for Rights 36-8624 and 36-16553: **1.94 + 0.48 = 2.42 cfs**. The order will correct the transfer approvals changing the combined right condition of the three rights to 2.42 cfs.

The Department will hold further processing of your WSB application until this preliminary order has been issued and becomes final. I will issue the correcting order on or after 12-31-2010 unless you request action sooner. If you require additional information regarding this matter or wish to comment prior to the order being issued on 12-31, please call me directly at (208) 287-4951, e-mail me at [pam.skaggs@idwr.idaho.gov](mailto:pam.skaggs@idwr.idaho.gov) or contact me by mail, and I will be happy to assist you.

Sincerely,

Pamela S. Skaggs  
Water Rights Supervisor
