I Steve Semels have witnessed the irrigation of the alfalfa hay fields at 1 Windy River Rd. (lot 1 Sterling Subdivision) Garden Valley Idaho. The owner, Donald Wiss, was irrigating his property via a pump, withdrawing water from the Middle Fork Payette River. The pump provides water to the buried line on his property, which has several above ground risers to which Mr. Wiss has connected 3" irrigation pipes with sprinkler heads for the water disbursement. The aforementioned activity occurred during the growing season of 2005.
