To Whom It May Concern:

Attached is a Notice of Change in Water Right Ownership.

I purchased the property at 6140 E. Hayden Lake Road, Hayden on December 24, 2008. The property was purchased from the estate of Donald J. Murphy who had the water right on the stream that runs through the property.

Since it was an estate purchase, formal transfer of the water right may not have occurred, and if that is the case, I would like to assure the transfer is done at this time.

I understand from the information on your web site that a new application for the water right is not necessary because I acquired a valid water right along with the land, and that the water was used on my property prior to acquiring it.

I appreciate the attention given to this matter. My temporary address until February, 2011 is 7328 Perera Circle, Sacramento, CA 95831. Telephone number (916) 213-9314

Sincerely,

Kay Cummins
