Michele,

Thanks for your question. If you are wondering about the pivot in Lot 5 and Lot 8, it is located on private land which was patented on August 4, 1926 (patent #983377). The property has never been conveyed back to the United States. Attached is a map, Mater Title Plat, and the patent. If you have any other questions, please ask.

Subject

land swap question George E Santee Jr. property nr Shep Cr

Mr. Price,

I am completing the licensing review for a water right permit (72-7536) held by George E. Santee Jr. The property is near the confluence of Shep Creek with the Salmon River.

Our PLSS addresses are: govt lot 5, Section 8, Township 15N, Range 20E

and

govt. lot 8, Section 9, Towns 15N, Range 20E.

A portion of the 1997 place-of-use appears to be owned by the BLM now. I have not been able to connect with the permit holder to confirm if a land swap occurred or if he identified the place of use in error.

Do you have any information documenting a change of ownership for this property?

Thank you

Michele Edl
