Re: Review of application for extension of lease to the Water Supply Bank

PURPOSE/NARRATIVE: On December 8 and December 17, 2010, the Department received requests to extend these leases. The original leases for the parent rights 63-383 and 63-30271 was granted on February 22, 2008, and the leases encompassed the entirety of both rights. The rights were split by change of ownership on September 1, 2010, as such:

63-383 was split into 63-33249 and 63-33250
63-30271 was split into 63-33255 and 63-33256

Since the lease extensions do not alter the nature of the leases, and to save processing time, I am not preparing new lease documents. We will update the data entry to read:

63-33249: 1.5 cfs, 78.3 acres, lease ALL, rental availability ALL
63-33250: 1.3 cfs, 66.7 acres, lease ALL, rental availability ALL
63-33255: 1.1 cfs, 54.8 acres, lease ALL, rental availability ALL
63-33256: 0.2 cfs, 10.2 acres, lease ALL, rental availability ALL

I contacted the watermaster, Rex Barrie, by email and he had no objections.

One item of note is the lease extension request for 63-33250 and 63-33256 requested an extension through 12/31/2015. The lease extension request for 63-33249 and 63-33255 was through 12/31/2011.

ADDRESS FOR DEVELOPERS OF HIDDEN SPRINGS LLC: Per the extension form, the address for Developers of Hidden Springs LLC has changed. I changed the address in the database.
