I if it absolutely has to be completed today, that is a good plan.

Hi Brian,

Thank you. I will wait for confirmation from Monica. I need to complete the deposit by 3pm, so if Monica isn't able to, I will receipt \$157.92 to Department Share and the remainder, \$1,421.28 to Owner Share.

Thanks again,

Shari,

This right is owned by Keith Munns. Therefore, of the check IDWR received from Monsanto (P4), the Department keeps 10% and sends 90% to Keith Munns. I suggest requesting Monica verify this.
