RE: Application for Transfer of Water Right #21-07000

An Application for Transfer of Water Right, along with the required fee, is being submitted to correct a clerical error regarding the place of use for Water Right #21-07000 at Henrys Lake State Park. There is no physical change in place of use associated with this transfer. Rather, this transfer is intended solely to correct a clerical error in the place of use description in the license and partial decree for this water right. The actual place of use under this water right has never changed and will not change under this transfer.

Please call me if you have any questions. I can be reached at 208-514-2457, or by e-mail at connie.vaughn@idpr.idaho.gov.

Sincerely,

Connie Vaughn
Planner
