Craig,

FYI

Permit 15-7307 that is still in Eastern Region on call up until 11/15/2010, has the wrong proof due date listed on the permit. The permit was approved on October 15, 2010, and the proof due date listed on the permit is also October 15, 2010.

*This is just a reminder that 15-7307 still shows up on our lapse list from November. The file is on the vault shelf, but I didn't want this to be forgotten about. The permit still needs to get amended.*

*See next page.*

*Thanks,*

*Darla*
