RE: Application for **Transfer No. 76646**

Dear Applicants:

The Department acknowledges receipt of the application as referenced above. Please refer to the Transfer Number in all future correspondence.

Because the application proposes a diversion in excess of 10.0 cfs, publication has been scheduled for statewide coverage in the Idaho Statesman, Lewiston Morning Tribune, Post Register and Times News on 12/30/10 and 1/6/11. Submittal of protests to the application will be allowed for a period of ten calendar days following the second publication. (**January 18, 2011**)

If the application is protested, you will be sent a copy of the protest. All protests must be resolved before the application is approved or denied. If the protests are not resolved voluntarily, this Department will conduct a conference and/or hearing on the matter.

Departmental personnel will conduct a complete review prior to final processing of the application and will notify you regarding the outcome of this review.

In addition, please be advised that a **notarized statement** from the lien holder of the property is needed before final action can be taken on the application.

Please feel free to contact this office if you have any questions regarding this procedure.

Sincerely,

Mary A. Baldwin
Administrative Assistant
