To Whom It May Concern:

Enclosed is a notice of change in water right ownership to the spring found on my property (Water Right # 98-4078). As per the instructions on the form, I am enclosing the following documents:

- Notice of change in water right ownership form
- An aerial photo showing the property, residence, and location of the spring.
- Chain of Title. Since this water right has not been transferred through previous owners, I included a chain of title from the last owner of water rights on record to us (current owners).

Additionally, I enclosed a check for \$25 for the filing fee for ownership transfer. If you need additional information or have any questions, I can be reached via phone (208-267-1972) or email (mff@handmadegemstone.com). However, if you try to reach me via email, please limit attachments to less than 1MB because we have dial up internet access.

Thank you,
