RE: Notice of Change of Address for 75-2025H (has already been decreed no NCAP was mailed to the court) 75-10061AC, 75-10062AA & 75-10678 and Notice of Completed Administrative Proceeding (NCAP)

Dear water right holder:

The Idaho Department of Water Resources (IDWR) acknowledges receipt of a change of address for the above referenced water right(s). Based on this change, IDWR water right records for the Snake River Basin Adjudication (SRBA) have been updated.

Furthermore, as directed by the SRBA Court, this office mailed a copy of the updated water right record(s) to each party listed on the enclosed NCAP. The intent of this mailing is to ensure each party has a current record of water right(s) as recorded in the SRBA.

According to your application Lana J Cabigas should be added to the above listed water rights in order for her name to be listed on the water rights a Notice of Change in Water Right Ownership form along with required documentation and fees will be required. Please find enclosed the form needed in order for the department to complete your request a copy of your 'recorded' Warranty Deed will be required and a fee for water right number 75-2025H, because water right numbers 75-10061AC, 75-10062AA and 75-10678 are still active in the SRBA a fee will not be required.

Updating the ownership record for a water right does not reconfirm the validity of the right. When processing an ownership change notice, the department does not review the history of water use to determine if the right has been deliberately abandoned or forfeited through five years or more of non-use. To read more about water right forfeiture, including how to protect a water right from forfeiture, please see Sections 42-222 and 42-223, Idaho Code.

Also, please note that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov.

Please feel free to contact me if you have any questions concerning this matter.

Respectfully,

Jonie Barg
Technical Records Specialist
