RE: Security Interest for water Right Nos. 37-13327 37-13328 37-13329
37-13331 & 37-13333

Dear Interested Party:

The department has received your correspondence removing the notice of security interest from the above referenced water rights. The department has removed the security interest from its computer records.

However, there was one number listed on your letter of December 10, 2010, that does not exist as a water right number. That number was 37-20275. If there are other water rights, i.e., 37-13330 & 37-13332 in the name of Barbara and/or Edward Frisbie that you intended to include in this request, you must submit those in writing in order for me to remove the security interest from our computer records.

If you have any questions, please contact me at 208-287-4945.

Sincerely,

A handwritten signature in black ink that reads "Darla Block". The signature is fluid and cursive, with the first name "Darla" and last name "Block" clearly distinguishable.
