RE: Application for Transfer 72553

Dear Applicant(s):

In 2005, you filed an application for transfer to allow a shareholder to create a pond with their shares of Leigh Creek Canal Company. We have not been able to complete this transfer and now we need to know if you still wish to pursue this transfer application.

If you do wish to proceed, please let us know. Some changes to your application would be needed to move this forward.

If you do not wish to move ahead, you can withdraw your transfer.

Please let us know what you would like to do.

Please feel free to contact this office if you have any questions.

Sincerely,

Dave Carlson
