Dear Ms. Barg:

Re: Notice of Change of Water Right

Thank you for your letter dated August 31, 2010 regarding our Change of Ownership Water Right No. 75-2065. My realtor has completed the necessary research for this matter and I wanted to get this matter resolved.

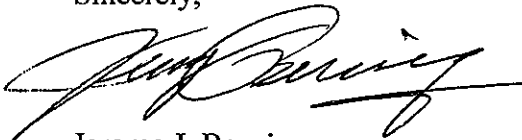

The correct Water Right to be transferred should be 75-2105.

You have asked for a plat or survey of the property and that is enclosed for your further handling.

I have also enclosed copies of the original paperwork submitted to your office as well as a copy of our previous check for your reference.

Thank you for your assistance and please let me know if you have questions or require additional information.

Sincerely,

Jerome J. Bensing
President
