Dear Mr. Clawson,

Our records show that the last time water rights 31-49A, 31-51A, and 31-50A were used was in May of 2007. There was a pump put in Camas Creek that diverted water to sprinkler.

On water right 31-42 is still transferred to Torgenson land, and has been used this year. If you have anymore questions give me a call.

Sincerely,

Greg Shenton
Watermaster
