CONDITIONS OF APPROVAL

1. After specific notification by the Department, the right holder shall install a suitable measuring device or shall enter into an agreement with the Department to determine the amount of water diverted from power records and shall annually report the information to the Department.
2. The use of water under this right shall not give rise to any claim against the holder of a senior water right based upon the theories of forfeiture, abandonment, adverse possession, waiver, equitable estoppel, estoppel by laches or customary preference.
3. Points of diversion are located within Lot 62, Blk. 3 and Lot 15, Blk. 1, Robbins Subdivision.
4. Place of use is within the area served by the public water supply system of Henrys Fork Village Water Co. The place of use is generally located within Section 8, T12N, R43E.
5. The irrigation occurring under this municipal use shall not exceed 1/2 acre within each platted subdivision lot upon which a home has been constructed. This right does not provide for irrigation of common areas or for irrigation of lots upon which homes have not been constructed.
6. A map depicting the place of use boundary for this water right at the time of this approval is attached to this document for illustrative purposes.

This license is issued pursuant to the provisions of Section 42-219, Idaho Code. The water right confirmed by this license is subject to all prior water rights and shall be used in accordance with Idaho law and applicable rules of the Department of Water Resources.

Signed and sealed this 13th day of December, 2010.
