Dear Mr. Saxton

I have received the three e-mailed documents as a .pdf, will sign them and send them on to you by first class mail. Please let me know if you have not received them within 10 days.

Directors and officers of The Henry's Fork Village Water Co. greatly appreciate the Department of Water Resources allowing it to qualify under the "municipal" category. Indeed it will avoid very troublesome situations and expense for a few Village homes in the future. Thank you for your part in this process!

William Galbraith, President Henry's Fork Village Water Co.

Dear Dr. Galbraith,

On Oct 25, 2010, I received the two licensing amendments you sent on behalf of Henry's Fork Village Water Company. Unfortunately, I made an error in the place of use description. Please see the attached PDF file for a more detailed description.

In short, to correct this error I need you to sign new amendments before I can make the change.

I am sending you copies of the attached amendments and cover letter to the mailing address listed on your business card for October to May:

1660 Bilgarie CT NE

Cedar Rapids IA 52402-3346

However, since I did have your e-mail address from your business card, I thought I would send you the information via e-mail just in case the mail doesn't reach that address.

I am very sorry for the inconvenience. Please feel free to contact me with any questions.

Respectfully,

Craig L. Saxton

Water Rights Supervisor
