RE: Water Right No. 67-7923
Change in Ownership

Dear Mr. & Mrs. Rainwater:

This letter is to follow-up on a conversation Dave had with the department last year. Dave mentioned that you had obtained only a portion of the above mentioned water right, and would like to attempt to obtain the water right in its entirety. Dave was going to attempt to obtain the remainder of the water right and asked that the file be placed on hold to allow time to do so.

It has now been one year, and we have had no further correspondence from you regarding this change in water right ownership. Please inform our office immediately of the status of this change in water right ownership. If we do not hear from you within 30 days, the change in ownership paperwork will be returned to you and no further action will be taken.

If you have any questions regarding this matter, please contact KariLynn Townsend at 208-287-4952.

Sincerely,

Kandice L McDermott
Records Analyst
