Re: City of Pocatello Transfer Application
GP File No. 5902-6

COPY

Dear Jeff:

As we discussed on September 22nd, the City of Pocatello is gathering additional information to identify locations of anticipated points of diversion and places of use of the storage water, and will be discussing with the Portneuf-Marsh Valley Canal Company certain issues related to the purposes of use requested in the application. In the meantime, the City requests that the Department hold its processing of the application and not advertise it until these issues are addressed, which the City believes can be accomplished by October 22nd.

Sincerely,

Michael C. Creamer
