**RE: NOTIFICATION OF WATER SUPPLY BANK LEASE EXPIRATION
WATER RIGHT NO. 51-7027**

Dear Lessors:

Idaho Department of Water Resources (Department) records show that all or a portion of the above referenced water right(s) was leased to the Water Supply Bank through March 1, 2010. This letter is notice that the right is considered released from the Bank. If you wish to extend the lease, you will need to advise the Department in writing.

If you would like the right to remain leased to the Bank, please specify the date to which you want the lease extended. All leases expire as of December 31, unless otherwise specified in the lease agreement.

Please consider that the five (5) year period of nonuse related to forfeiture of a water right begins to accrue upon release of the right from the Bank or shall continue to accrue if a period of nonuse occurred prior to the lease date of the right to the Bank.

If you have questions regarding this matter, feel free to contact me at (208) 287-4907.

Sincerely,

Monica Van Bussum
Sr. Water Resource Agent
