Re: In the matter of licensing water right permit no. 01-7011, in the name of
Twin Falls Canal Company and North Side Canal Company

Dear Mr. Simpson:

As you requested, enclosed is a CD which contains the June 2, 2010 hearing recording for the above-referenced matter. The recording consists of three parts. Part one is the direct examination and cross-examination of Shelley Keen and ends with the morning recess. Part two contains Mr. Keen's remaining cross-examination and continues through redirect examination and recross-examination. Part three is the direct examination of John Bowling through the end of the hearing record. Also, this recording is in a data format for use on a computer versus a cd player.

Sincerely,

Deborah Gibson
Administrative Assistant
Water Management and Legal Services
