Re: Amendment to Water Right Permit No. 75-14265

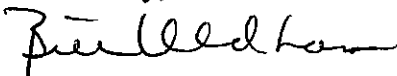

Dear Monica:

I have reviewed your letter of October 20th that calls for a correction to the legal description of my original water right application to the IDWR.

As directed by your letter, I am enclosing the signed amendment application with check no. 6741, in the amount of \$50.00, for the amendment filing fee.

Please let me know if there is anything else that is required to meet the department's licensing requirement.

Sincerely,

Bill Oldham
