Re: *Contested Application for Transfer # 75912 - Willowbrook
Application for Permit # 63-33279 - Hillsdale*

Dear Mr. Westra:

We are writing in response to your October 19, 2010 letter requesting an update regarding the status of negotiations relating to the above-referenced applications. Today, representatives of the parties met to discuss a resolution to the issues surrounding the applications and the protest. Progress was made and an additional meeting has been scheduled in an effort to resolve all the issues. While we have not yet reached a resolution, we are optimistic that an agreement can be reached in the near future. As such, and pursuant to IDAPA 37.03.08.40.01.d, we hereby request a ninety-day extension to allow the parties to continue their fruitful negotiations. We will of course keep you apprised of all progress on these negotiations.

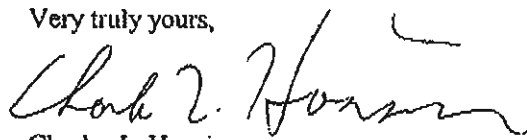

Thank you in advance for your cooperation. If you have any questions or comments, please feel free to contact either of us at your convenience.

Very truly yours,

Richard W. Stover,
Attorney for Willowbrook
