Jim,

As we discussed today, I have attached a printout of Claim 37-11202 filed by Orle Leavell in the Snake River Basin Adjudication, an image of the decree issued by the SRBA court for 37-11202, and an ownership change form. I recommend contacting Doug Jones at IDWR's Twin Falls office (208-736-3033) for an appointment to discuss why the claimed 25 acres of irrigation was not decreed.

Another option might be to contact Northside Canal Company to find out if they could deliver surface water to you for irrigation.

Please call or email if you have additional questions.

Sincerely,

Shelley Keen
